Subject: Application for Dental Technician Position

Dear Sir/Madam

I trust this letter finds you well. I am writing to express my keen interest in the position of Dental Technician at your esteemed organization.. My name is Firoz Alam and I am currently serving as a Dental Technician at City Dental Clinic, Sambhal, India. With 21 years of extensive experience in the field, I have developed strong expertise in fabricating, repairing, and designing dental prosthetics including crowns, bridges, dentures, and orthodontic appliances.

Throughout my career, I have worked with precision, attention to detail, and a deep commitment to patient care. I am well-versed in the use of modern dental materials, advanced equipment, and laboratory techniques. I also maintain effective collaboration with dentists to ensure accurate and high-quality results for patients.

I am particularly interested in joining this organization as it will provide me with the opportunity to contribute my skills in a professional and growth-oriented environment. I am confident that my long-standing experience, dedication, and technical expertise will make me a valuable addition to your team.

I would be grateful for the opportunity to discuss how my skills and experience align with your requirements. I am available for an interview at your convenience and look forward to the possibility of contributing to your organization.

Thank you for considering my application.

Yours sincerely,
Firoz Alam
